## Organization

The Asia Pacific Quality Organization was approved in Beijing, China in 1985 and subsequently incorporated in the Philippines where its head office is located. APOO is an autonomous, non-political, non-profit, scientific and technical organization domiciled in an Asia Pacific region fixed by the Core Council. Asia Pacific includes countries in Asia and those located near the Pacific Rim.

## Vision / Mission

To be recognized as the universal prime mover in terms of continuously improving the quality not only of goods and services all over the world but also the quality of life of its people.

## Benefits

### Sustaining, Core Council and Associate Council Members

- Develop and practice leadership skills in managing a multinational organization - the Asia Pacific Quality Organization (APOO).
- Participate in national and international research and publishing with the opportunity to present the results in an international forum - APOO Annual Conference.
- Host a world class International Quality Conference, training sessions and workshops in your country jointly with the APOO Annual Conference
- Receive company and individual quality awards and recognition for excellence through the Walter L. Hurd Foundation.
- Your organizational and Individual participation as a representative to the APOO results in driving continuous improvement and measurable results in your countries' economy and also assists other economies in the region.
- Your organization, its quality efforts and successes are highlighted on the APOO website and our organizations can be linked to/from our respective websites.

### Corporate Members

- Individuals from your organization can participate in and attend APOO forums, trainings, workshops, and conferences for development and growth.
- Organizational participation in the Global Performance Excellence Award (only after winning your own country's national quality award).
- Participate and support the Walter L. Hurd Foundation quality awards programs as both a recommender and a potential recipient.
- Generally support the APOO in achieving its vision and mission.
- Your employees will be able to take advantage of the same benefits as individual members.

### Individual and Life Members

- Personal development by educating others through conducting training programs, workshops and presenting papers - APOO Annual Conference and by invitation of APOO members.
- Personal development by attending international conferences and attending and interacting with quality experts - APOO Annual Conference.
- Participate in national and international projects whose results will drive greater organizational performance as well as national economic performance.
- Stay constantly knowledgeable of the state of the art of quality through the excellent APOO website.
- Network opportunities with quality leaders through the APOO Annual Quality Conference, forums, trainings and workshops will benefit you personally and your career.
